ABOUT ME

I am a dedicated and detail-oriented frontend professional with hands-on experience working on real projects and live websites. I focus on building clean, user-friendly, and visually appealing interfaces while ensuring smooth functionality. With a strong understanding of user behavior and digital platforms, I aim to create meaningful and engaging web experiences. I am a quick learner, adaptable, and always eager to grow and improve in a professional environment.

EXPERIENCE

Rantechnology

June - 2024 - Present

Frontend Development

- Working on website development, UI implementation, updates, and performance improvements while collaborating with the team to deliver client-ready solutions.

MY FAVOURITE TOOLS

- Website Developer (Html , Css , Javascript , Bootstrap)
- Visual Studio Code
- Adobe Photoshop
